

## Sunday School Parents

As the 2020 school year approaches we all have questions about how our schools will be handling classes. These questions apply to our Sunday school at Cross of Christ as well. Although we can't predict how things will go as the school year progresses I wanted to let you know what our plans are to open Sunday School this year.

First, Sunday School will begin September 13<sup>th</sup>. We plan to have classrooms as usual in the downstairs fellowship area. Sunday school will be after the 9:00am worship service as in the past.

At this time we will not be having music for the children so classes will begin at 10:15am. This will be the same starting time as adult bible class.

We won't be having fellowship after church in September so there won't be any donuts or other treats for members before Sunday School starts. We are considering individually wrapped treats and drinks for the kids.

Since Wisconsin currently requires people to wear face coverings in public buildings, we will need any children over the age of 5 attending Sunday School to wear them. We know this can be a challenge but we are hoping most kids are familiar with using them by now.

There will be hand sanitizer in each classroom and classrooms will be cleaned after class each Sunday.

As circumstances change over the next few months I will do my best to keep everyone updated. If you have any questions or concerns please feel free to contact me.

May God bless you and your family as we together continue to share His love.

Joshua Veglahn,
